11     OnePlus is a Shenzhen-based start-up and producer of smartphones founded in December,
12     2013. The company's claim to fame is its bid to offer flagship-level specs in its smartphones,
13     at affordable prices. OnePlus initially sold its smartphones only through an invite system
14     where customers would be sent an invite to purchase smartphones and they had to make the
15     purchase within a fixed time frame. Of late the company has held open sales of its smartphones
16     too. OnePlus's latest mobile launch is the 8T Cyberpunk 2077 Limited Edition. The smartphone
17     was launched in 2nd November 2020. The phone comes with a <6.55-inch touchscreen display with
18     a resolution of 1080 pixels by 2400 pixels at a PPI of 402 pixels per inch.
